

A RESOLUTION TO ADOPT THE PULASKI COUNTY, KY
ROAD NAME AND ADDRESS DISPLAY ORDINANCE

WHEREAS, Pulaski County, the County's emergency response agencies, GTE and Continental Telephone Company are working to enhance the 911 emergency system to provide Automatic Location Indication (ALI) capacity for the benefit and protection of the citizens of Pulaski County

WHEREAS, a comprehensive system of street and road addresses is a fundamental component of the ALI System, and

WHEREAS, the targeted start-up date for the ALI System is September 15, 1989

NOW THEREFORE BE IT RESOLVED BY THE PULASKI COUNTY FISCAL COURT

Section. 1. Purpose and Intent

The purpose and intent of this Ordinance is to provide a uniform system of road addresses for all properties and buildings throughout the County in order to facilitate provision of adequate public safety and emergency response services and to minimize difficulty in locating properties and buildings for public service agencies and the general public.

SECTION . 2. Definitions

(A) The following words and phrases when used in this Ordinance shall have the meanings respectively ascribed to them in this Section.

- (1) 911 Telephone Board: The official of Pulaski County charged with the administration of this article, including his or her authorized agent or delegate.
- (2) BUILDING: A structure having a roof supported by columns or wall for the shelter, support or enclosure of persons, animals, chattels, or equipment. When separated by division walls from the ground up without openings, each portion of such building may be deemed a separate building. For the purposes of this Ordinance, the term Building may also include other manmade structures.
- (3) DRIVEWAYS: A private way, beginning at the property line of a lot abutting a public road, private road, easement or private right-of-way, giving access from the public road, recorded easement, recorded private road or private right-of-way, and leading to a building, use or structure on that lot. A driveway may not serve more than a single lot unless it runs along a lot line shared by two lots and serves no more than two lots.

- (4) ROAD ADDRESS: The combination of numbers and road name assigned by Pulaski County which uniquely identifies a particular building or lot.
- (5) ROAD: A public or private one-way or two-way road for ingress and/or egress. Such roads may be of various types including frontage roads, rear access roads, roads with cul-de-sacs, and dead-end roads. This definition includes secondary roads but does not include driveways.

Section. 3. Road Names

(A) The road names on file with the United States Postal Service are hereby declared the official names of these roads, unless changed by action of the Fiscal Court. The United States Postal Service is hereby authorized to determine the need for road name changes and to recommend such changes to the Pulaski County Fiscal Court, Pulaski County

(B) All roads in Pulaski County shall be identified by a sign showing the official name and state road number. These road signs shall be placed at all intersections and shall identify both intersecting streets.

(C) Road name signs shall be uniform throughout the County.

Section. 4. Adiministration and Application

(A) The Address 911 E Telephone Board will be responsible for the interpretation and administration of this Ordinance, including

- (1) Assigning all numbers for properties and buildings.
- (2) Maintaining address records of each property and building.
- (3) Recommending change of existing addresses when necessary to facilitate sequential house number along a road.

- (4) Designating individual unit addresses within the multiple housing units in conformity with this Ordinance.

(B) This Ordinance shall apply in all areas of Pulaski County not within a municipality, except that it shall not apply in the extraterritorial jurisdiction of any municipality which has adopted similar provisions in its zoning, subdivision or building inspection codes.

(C) Assisting the public in complying with the requirements of this Ordinance.

Section. 5. Display of Road Address Numbers

(A) Road address numbers must be clearly displayed so that the location can be identified easily from the road.

- (1) The official address number must be clearly displayed on the front of a building or at the entrance to a building which is most clearly visible from the street or road during both day and night.
- (2) If a building is more than seventy-five (75) feet from any road, the address number shall be displayed at the end of the driveway or easement nearest the road which provides access to the building.
- (3) Numeral indicating the address number of a single family dwelling shall be at least three (4) inches in height and shall be posted and maintained so as to be legible from the road.
- (4) Numerals for multiple dwelling units and nonresidential buildings shall be at least six (6) inches in height and shall be placed on the front of the building facing the road or on the end of the building nearest the road.
- (5) Numeral must be of contrasting color to the background.
- (6) Mobile home lots shall have sequential address numbers throughout the park. Each lot will have a separate address number assigned. The address number of each lot must be clearly displayed on the lot so as to be legible from the road rather than mounted on the mobile home unit.

(B) The 911-E Telephone Board will have the right to authorize and approve alternate methods of displaying house numbers which meet the intent of this Ordinance when strict adherence to these standards cannot reasonably be met.

Section. 6. Enforcement

(A) Owners or occupants of buildings already constructed which do not comply with this Ordinance will be notified and requested to meet these requirements within 60 days from the date of notification. A warning notice will be issued after 60 days if the requirements have not been met. If the owner or occupant does not comply voluntarily with this Ordinance within 30 days of delivery of a warning notice by registered or certified mail or by hand delivery to the building in violation, enforcement action pursuant upon conviction shall be fined the sum of fifty dollars (\$50.00).

Section. 7. This resolution shall become effective October 1, 1989.

Magistrate _____ made a motion that the above resolution be adopted. Magistrate _____ seconded the motion and upon vote, the motion carried this 26 day of July, 1989.
