ORDINANCE NO. 540.0

BE IT ENACTED by the Fiscal Court of Pulaski County, Kentucky that:

(1) a. The Court finds that the proscription of the act and conduct hereinafter made and declared to be a criminal offense is necessary to the operation of the Pulaski County Governmental Complex and the conduct of public and official business therein in such manner as shall best promote and serve the safety, convenience and general welfare of the people of the County and all other persons having such business therein.

b. The Court further finds that such an act or conduct is of a nature inherently inimical to the operation of said complex in that its commission has a common tendency to invite and is conducive to the repetition and multiplication not only of the same act and conduct, but of other such acts and conduct as well, and not only by the same person, but by other persons as well, all of which in cumulative effect can only impede the achievement of the objective hereinafter set forth and will impose upon the County increased costs which cannot be met except to the sacrifice of other essential programs and projects as well as hinder the free flow of business by the people of this County at the seat of their government.

(2) For the purpose of this Ordinance, the term "Complex" means the Pulaski County Governmental Complex and includes all the public grounds and public property of Pulaski County located at the County seat within the block enclosed by Main, West Mt. Vernon, Vine and West Columbia Streets in Somerset, Kentucky, every part and portion of such grounds, buildings and property, all facilities, appurtenances

and materials of every kind therein, whether or not affixed, and all sidewalks, entrances and exits adjacent to and bordering upon such grounds, buildings and property.

The term "motor vehicle" means any vehicle propelled by an internal combustion engine transporting persons or property.

3. Any person who parks a motor vehicle in the parking area immediately adjacent to the Pulaski Governmental Complex, known as the Pulaski County Governmental Complex parking area in the section designated for courthouse business only, for any purpose except on official county business in the Pulaski County Governmental Complex building, ^{for a period of no more than 1 hour} is guilty of a criminal offense and shall be punished by a fine of not less than \$5.00 nor more than \$25.00, plus court costs, or by imprisonment in the county jail for not less than one day nor more than five days or by both and his motor vehicle shall be subject to removal and impounded at the owner's expense.

This Ordinance shall be enforced by the Pulaski County Sheriff's Department.
